This fabric is widely used in places like the NEC, Excel Centre, Wembley stadium etc!

70gm per metre sq., spun bond, a non-woven fabric, strong lightweight fabric, this is a great budget fabric for covering unsightly areas, wall covering, use on ceilings, use as backdrops on stages, lightweight curtains, also has great thermal properties and can work to block out draft, this fabric gets used in the

furniture trade, medical trade, filtration, agriculture, carpet making, etc

Great Fabric as an interlinear
