Price: £41.95/mtr

Description:

High quality vinyl leatherette material with the look of a natural snake skin.

The fine linked, precise grain and high contrast, multi coloured print gives the material the liveliness of its natural model, the python, long-lasting, lightfast, abrasion-resistant, tear-resistant, easy to clean.

Suitable for many kinds of upholstery projects, interior design, decor, re-upholstery trade and wall coverings, works very well and is popular for modern and exclusive residential and contract area, in public buildings and institutions.

This fabric is also a popular choice for the imitation leather goods trade when it comes to making hand bags, belts, shoes and clothing etc.

Problem free processing in the usual procedures; sewing, tacking, sticking, nailing, (Do not use solvent based adhesives)

Cleaning:

Durable and easy to clean with luke warm water, mild soap lye and a micro-fibre cloth or a soft hand brush. Do not use solvents chloride, abrasives, chemical cleaning agents or wax polishes, regularly cleaning will maintain fabric quality and appearance, pollution by oil, fat and ink must be removed immediately.

Please note colourings by jeans or other textiles are excluded from any manufactures guarantee.
