Royal

Navy

Description:

65% Polyester, 35% Cotton. 20 X 20 / 60 Sq, 68 pick quality. Woven on modern, wide width Rapier Air Jet looms. Reactive dyed into solid colours which gives good colour fastness. This fabric is treated with environmentally friendly Flementine chemicals from Thor Industries in Germany. Fire retardancy meets BS5867 part 2 type B standard. Ideal applications include: backdrops, wall-coverings, stage dressing and other uses that require a wider width fabric.
