Description:

Pure cotton fabric covered with a lively print of funky stripes. We stock two shade varieties, both with the design of stripes in various sizes from 1mm to 8.5 cm. The cotton fabric is a well balanced mid weight, so its able to lend itself to several types of projects.

For dressmaking, this funky stripe could be seen on lightweight summer jackets, tailored shorts or "A" line skirts. Or if you want to use this for interior designs, you could go for making anything from curtains to table runners.

Lemon - Vibrant Citrus shades of pale yellow, bright lemon yellow, lime green, grey and black on background of fresh white.

Blue - Cool shades of azure blue, sky blue, orange, olive green and lime green on a clean white 100% cotton background
