### Description:

This 100% polyester fabric, with a width of 170 cm, offers a luxurious, smooth texture that drapes beautifully, making it ideal for elegant and modest clothing. The fabric is lightweight, breathable, and soft against the skin, ensuring comfort throughout the day. Its polyester composition provides durability and wrinkle resistance, maintaining a polished look with minimal effort. Whether worn in warm or cool climates, this fabric ensures comfort and ease, making it a perfect choice for stylish, everyday abayas.
