

Soland Car Hood Material

Available Colours:

Black

Product code: KBT9225-U9
Selected Colour: **Black**
Width: 150cm
Price: £37.99/mtr

Description:

German made waterproof, UV rated, tough Acrylic car hood material.

Ideal for replacing old and tattered car hooding on convertibles. The fabric is high quality and tough with a very high tensile strength.

This fabric will look great on luxury cars.

This fabric can also be used for pickup covers.
