Description:

Little birds ranging from 3cm to 6 cm are printed onto soft fleece fabric in a cheerful design. Giving a rest from flying, these cute birds are strutting around showing off their striped patterns and solid colours of bright fuchsia pink, candy floss pink and soft blue on this white fleece fabric. This pattern would look lovely as part of a pink, blue or lilac bedroom design. You could make throws and big cushion covers in this pattern and use plain coloured pink and lilac fleece to pick up the colours of the birds.
