Selected Colour: **Black and White**
Width: 150cm
Price: £6.99/mtr

Description:

Herds of ponies galloping away in a simple black and white printed fleece fabric. The white shape of a horse or pony is repeated over thick black fleece. The ponies are shown running either to the left or right but in similar lines so the pattern still looks quite neat. This fabric is great for outdoor equestrian enthusiasts, the thick fleece will keep you and your horse cosy on chilly early morning rides and works as an alternative to wool.

- 100% polyester
- Soft budget fleece
- Warm and cosy
- Pony motif
- Equestrian theme
