Description:

Fun polka dot spotted fleece fabric in several colours to choose from. All the fleece has a plain deep dyed background with some covered in white spots, some with black spots and some with coloured spots. All the spots are spaced evenly apart and are around the size of a penny. Polka dots are a timeless classic pattern and never go out of fashion. Boy or girl adult or child, everyone likes polka dots! You could use this fleece for clothing like hoodies or long sleeved winter tops or keep it for indoor lounge clothing like super soft pajamas.
