Description:

This is our abstract **Union Jack flag** design, with the British flags overlapping one another. The colours used are more toned-down than the standard British flag colours, and the flags are in different shades.

You can use this 100% Cotton fabric for curtains, which blocks out the light and drapes well.

As well as using this fabric to make curtains, it can also be used to make:

- Banners
- Flags
- Bunting
- Cushions
- Placemats
- Table runners

For any craft lovers, you could use this material to make your own patriotic products or organise a textiles workshop and hold British themed projects.
