Polyester viscose fabric

Available Colours:

Bottle

Red

Product code: KBT6213-B408
Selected Colour: **Bottle**
Width: 150cm
Price: £5.99/mtr

Description:

A mixture of Polyester and Viscose, a cheaper alternative to wool, often found in countrywear and kilts. The material has a wool like finish giving the feel of a high-end fabric.

The fabric is resistant to creasing and drapes well making it ideal for trousers, skirts etc. Polyviscose is slightly absorbant making it a comfortable fabric to wear while sweating.

This is a **mixed lot to clear** with slightly different weights and weaves.

Hurry! We do not expect stocks to last at these prices.
