### Description:

### Extra-Wide Fire Retardant Calico - 300cm | Ideal for Events, Backdrops, and Displays

When selecting canvas fabric for use in public spaces or events, safety and durability are essential. This extra-wide fire retardant calico fabric offers a practical and trustworthy solution. Measuring 300cm (3 metres) in width, it is treated to meet BS5867 Type 2 Part B fire safety standards, making it suitable for environments where fire regulations must be met.

### Key Features:

Width: 300cm (extra wide – reduces need for joins & seams)

- Weight: 135gsm (lightweight yet durable)
- Fire Retardant: Certified to BS5867 Type 2 Part B
- Biodegradable: Environmentally friendly cotton
- Easy to Dye or Paint: Great for customisation
- Health & Safety Compliant: Ideal for public use
- Large Coverage: Perfect for wide-scale applications

### Perfect for Public Events and Creative Projects

This wide-width calico is especially popular for large-scale projects, where seamless coverage is essential. Whether you're hosting a food and drink fair, music festival, craft market, or art installation, using fire retardant fabric is often a requirement by health and safety inspectors.

### **Its strength and wide format make it ideal for:**

- Draping large event spaces
- Creating stage backdrops and theatre props
- Partitioning venues or exhibition halls
- Covering tables, booths, or walls without joins
- Producing banners, curtains, and canopies

### **Versatile for Private and Public Use**

Whether for a wedding, party, or community event, this fabric offers creative freedom. It can be left in its natural cream finish for a traditional look or dyed and painted to match your theme or branding.
